

Valencia High School Football 2010

The 2010 Football season is fast approaching. Spring ball has wrapped up and summer passing league is getting under way. It will not be too long before our first game is here. This is an exciting time for players, coaches, family and friends!

We would like to invite you to help in the continued success of our storied football program by becoming a Valencia Football Sponsor. As in past years, our Friends and Family Fundraiser has contributed to our team's success through financial donations from community, local businesses, and you our friends and family members. For several years, this fundraiser has helped raise the additional dollars needed to build the program the school district just can't budget for; additional coaches stipends, uniforms, equipment, scouting, team events, digital recordings, awards just to name a few. Your participation will be appreciated by the entire VHS Football Organization – Varsity, Junior Varsity and the Freshman Squad!

As a thank you for your support, all sponsors will be recognized in our game day programs. For donations of \$75.00 or more we will included your business card in the game day program. (Just send your card in the return envelope). For donations of \$150.00 or more not only will your business card be in the program, we will forward you a VHS football shirt so you can proudly display your support.

Your donation is tax deductible – Our tax ID number is 20-2615957

Thanks in advanced for your generous support of Valencia High School Football.

Detach and return in pre-addressed stamped envelope, we would appreciate if returned by July 1st

Name of Valencia Football Player _____

He is on the (circle one) Varsity Junior Varsity Freshman Team
